

QCheckBox

```
classDiagram
    QWidget --|> QCheckBox
```

A UML class diagram showing an inheritance relationship. A box labeled 'QCheckBox' is at the top, and a box labeled 'molSimplify.Classes.mWidgets.mQCheckBox' is at the bottom. A vertical arrow points from the bottom box to the top box, indicating that 'molSimplify.Classes.mWidgets.mQCheckBox' inherits from 'QCheckBox'.

molSimplify.Classes.mWidgets.mQCheckBox
